

**ADDENDUM # 00902**

DATE ISSUED: SEPTEMBER 19, 2017

**PROJECT INFORMATION**

Project Name: *C0117A - Red Brick Soffit Repair*

Bid Due Date: *September 27, 2017 @ 9:00 AM (Local Time)*

**ADDENDUM INFORMATION**

This Addendum addresses the following changes/additions/deletions for the above referenced project:

ITEM	DESCRIPTION
<b>Specifications</b>	
1.	Due to the complications with the electrical wiring, conduit, and junction boxes, the rear of each building will no longer be included in the scope of this project. The soffit repair and replacement will only be on the front and sides of each building.
2.	New soffit shall be commercial grade aluminum.
3.	All installed soffit shall have a vent.
4.	Existing vent panels shall be removed.

A signed copy of this Addendum shall be included with the Bid Proposal indicating that Bidder has read and understood the modifications made to the Bidding Documents. Bidder shall also indicate this Addendum within Article 3.01.A of the 00410 - Bid Form.

**BIDDER CERTIFICATION STATEMENT**

I hereby attest that I have read and understood the changes listed in this Addendum for the above referenced Project and have submitted a Bid Proposal that reflects these changes.
